Institute Of Excellence

# *About Dream Carrier*

Dream carrier as its name suggests, is an organization who has been consistently promoting dream education in order to give a platform to all its students to develop and exhibit their skills in the area of fashion design, interior design, animation & specialization courses of engineering. We started in the year 2021 with a vision to inculcate value-based education to all its students and help them excel in the area of skill development. We have put in a lot of efforts to promote practical training to its students giving them hands on experience in their respective field.

# *Why Dream Carrier*

What strikes your mind when you think about creative careers? It is the College, the Faculty, Opportunities, or Placements, right? And what if I tell you that get everything all under one roof with added benefits for you to have a successful career. Dream Carrier is a place for you to enhance your skills and talents and flaunt your creativity in front of the world.

Professional mentors and industry experts for the students to have an exclusive experience, Guest lectures from renowned celebs, online and offline sessions for the comfort of the students, and much more. A real-time student-teacher discussion related to the topics which are taught during the sessions everything at the comfort and convenience of the student.

# *Mission*

# What Our Students Say About us..

**Geeta Vairagar**  
Interior design student

I learnt from this course colour sense, I developed my mind analytically ,now I have ability to deal technical terms of interior design , Institute is really good, they provide proper knowledge of course and also arrange online lecture to learn concept in detail.thank you

**Pornima Jadhav**  
Interior design student

I recently joined institute and already learnt various things from the staff. They are teaching from basic things to most recent things in the same field. I was managed to design a space and visualise ideas in a way that I could never do before. Thank you so much Prof.Vivek Mali Sir. His attention to details is incredible and hence the colours, textures all tie together. Staff is cooperative and every Saturday there is funday activities which helps to improving other skills as well too. Thank you dream carrier.

**Balaji Gaikwad**  
Graphic design student

It was great learning in dream carrier got cleared out with concepts & software knowledge. Staff is very helpful with all things. we had fun during festives too. Thank you dream carrier.

**Ritu Gawai**  
Fashion Design Student

Staff is good. They are very co-operative we feel like home. Teaching style is very simple, I'm happy that I found this class. Thank you dream carrier.

**Yukta**  
Designer (workshop student)

It was good, it was great experience, I learned deeply that I didn't know, it was nice, Thank you for conducting this workshop.

**Cyrill D**  
Automobile Design Student

It was great experience over here with technical aspects & one to one practical knowledge, with handson industrial project which made me ready in every aspects.

**Sanraj Raut**  
UI/UX Design Student

It was great experience learning about UI-UX Design, as I was know to graphics, it upgraded me with knowledge & helped me in my freelancing work. Faculties are very co-operative. Thank you Dream Carrier.

**Priya Mittal**  
Interior Designer (workshop student)

I joined institute for workshop my experience is very good, faculty is very sweet & humble over here. I learned creative new things & I had fun.

**Priti Vyas**  
Graphic Design Student

I have enrolled for Graphic Design, as traditional artist it was difficult on software but As a faculty are very cooperative and keen listener with me. Trying their best to teach me...

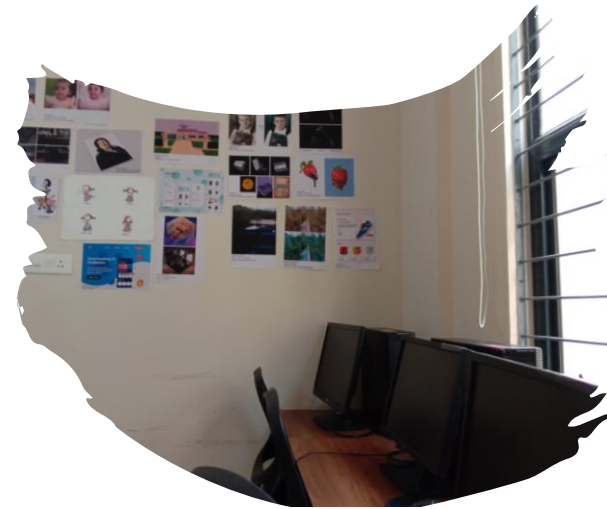

**Aishwarya Deore**  
Graphic Design Student

I learned lot from this course, I have done many creatives to build my portfolio explored new things along with different concepts in graphics, now I am very confident to developed related to graphic design. I would like to share institute is really good to provide proper knowledge and support. Thank you
